

**TPHL Announces Extension of Early Tender Deadline,
Amendment to Minimum Tender Condition
and Additional Early Tender Consideration**

PORT OF SPAIN, TRINIDAD AND TOBAGO, May 6, 2019 – Trinidad Petroleum Holdings Limited (“TPHL”) today announced that the early tender deadline has been extended until 5:00 p.m., New York City time, on May 10, 2019 (the “Extended Early Tender Deadline”) and the withdrawal deadline has been extended until 5:00 p.m., New York City time, on May 8, 2019 (the “Extended Withdrawal Deadline”), with respect to its previously announced offers to exchange any and all of its outstanding notes, originally issued by Petroleum Company of Trinidad and Tobago Limited (“Petrotrin”) for newly issued debt securities of TPHL (the “Exchange Offers”), upon the terms and subject to the conditions described in the Offering Memorandum, dated April 15, 2019 (as may be amended or supplemented from time to time, the “Offering Memorandum”), and the related letter of transmittal (as may be amended or supplemented from time to time, the “Letter of Transmittal”), and to its solicitation of consents to certain proposed amendments to the existing indentures (the “Consent Solicitations”). On the terms and subject to the conditions set forth in the Offering Memorandum and TPHL’s press release, dated April 15, 2019, Eligible Holders who validly tender Existing Notes at or prior to the Extended Early Tender Deadline will receive, for each U.S.\$1,000 principal amount of Existing Notes accepted for exchange, a combination of a principal amount of New Notes and, if the 2019 New Notes Cap is exceeded, cash, in an amount equal to the Total Consideration (as defined in the Offering Memorandum).

TPHL also announced that it has amended the minimum tender condition such that the consummation of the Exchange Offers is conditioned upon, among other things, the valid tender, without subsequent withdrawal, of at least U.S.\$150 million aggregate principal amount of Existing Notes (the “Amended Minimum Tender Condition”).

TPHL also announced that, in addition to the Total Consideration, Eligible Holders who validly tender Existing Notes at or prior to the Extended Early Tender Deadline will receive an additional U.S.\$10 of cash for each U.S.\$1,000 principal amount of 2019 Notes and 2022 Notes, respectively, accepted for exchange (the “Additional Early Tender Consideration”); *provided* that a minimum of U.S.\$350 million 2019 Notes are validly tendered in the 2019 Notes Offer.

TPHL may, at its sole discretion, waive any conditions that it may assert subject to applicable law. As of 5:00 p.m., New York City time, on May 3, 2019, holders of approximately U.S.\$150,730,000 aggregate principal amount of 2019 Notes and approximately U.S.\$24,316,500 aggregate principal amount of 2022 Notes (as reduced to factor for amortization payments made, including an upcoming amortization payment on May 8, 2019, which have reduced the outstanding principal amount to 25% of the originally issued principal amount), or a total of approximately U.S.\$175,046,500 aggregate principal amount of Existing Notes, representing approximately 16.87% of the outstanding Existing Notes, have validly tendered their Existing Notes.

In addition, TPHL announced that the Expiration Date of the Exchange Offers is extended to 5:00 p.m., New York City time, on May 24, 2019, unless extended. Holders of Existing Notes that tender their Existing Notes after the Extended Early Tender Deadline but prior to the Expiration Date will receive the

Exchange Consideration but not the Total Consideration or the Additional Early Tender Consideration. All other terms and conditions of the Exchange Offers remain the same.

General

The issuance of the New Notes will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), the Securities Act Chapter 83:02 of the laws of Trinidad and Tobago (the “Trinidad Securities Act”) or any state securities laws. The New Notes are being offered and issued only (1) in the United States to holders of Existing Notes that are (a) “Accredited Investors” as defined in Rule 501 under Regulation D or (b) “qualified institutional buyers” as defined in Rule 144A under the Securities Act and (2) outside the United States to holders of Existing Notes that are not U.S. persons in reliance upon Regulation S under the Securities Act (each, an “Eligible Holder” and together, the “Eligible Holders”). Accordingly, the New Notes will be subject to restrictions on transferability and resale and may not be transferred or resold except as permitted under the Securities Act, the Trinidad Securities Act and other applicable securities laws, pursuant to registration or exemption therefrom.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering, solicitation or sale would be unlawful. The offering documents will be distributed only to holders of Existing Notes that complete and return a letter of eligibility confirming that they are “Eligible Holders” for the purposes of the Exchange Offers. The website to complete the Eligibility Form is www.dfking.com/ttph. D.F. King & Co., Inc. is acting as the Information Agent and the Exchange Agent for the Exchange Offers. Requests for the offering documents from “Eligible Holders” may be directed to D.F. King & Co., Inc. at (212) 269-5550 (for brokers and banks), (800) 581-3783 (for all others) or email tph@dfking.com.

Neither TPHL, its board nor any other person makes any recommendation as to whether the holders of the Existing Notes should exchange their notes, and no one has been authorized to make such a recommendation. Holders of the Existing Notes must make their own decisions as to whether to exchange their notes, and if they decide to do so, the principal amount of the notes to exchange.

About Trinidad Petroleum Holdings Limited

TPHL is an integrated national oil and gas company in Trinidad and Tobago, established as part of the reorganization of Petroleum Company of Trinidad and Tobago Limited (“Petrotrin”). Petrotrin was historically a major producer and supplier of oil and petroleum products in the Caribbean. In December 2018, Petrotrin underwent a reorganization that resulted in a new corporate structure and a substantially different business. The functional restructuring gave rise to the formation of TPHL, a more streamlined and profitable entity. For more information about TPHL, visit <http://trinidadpetroleum.co.tt/>.

Forward-Looking Statements

This release includes certain forward-looking statements and projections of TPHL. We have made every reasonable effort to ensure that the information and assumptions on which these statements and projections are based are current, reasonable, and complete. However, a variety of factors could cause actual results to differ materially from the projections, anticipated results or other expectations expressed, including, without limitation, our future overall business development and economic performance, including our financing plans, business strategy, competitive position and the effects of competition; changes in the price of crude oil, natural gas and refined products, including the effects of hostilities or further acts of international terrorism on the price and demand for crude oil and natural gas; the global economic climate, including sustained weakness in general global economic conditions and financial markets; cyclical and seasonal fluctuations in our results of operations; uncertainties

relating to our drilling projects, including technological limitations, geographical risks and control over non-operated assets; our future earnings, cash flow and liquidity; the success of our joint venture partners in increasing oil and gas production; operational or other system difficulties experiences by our third-party service providers; the effects of technological or other changes on the demand for our products; projections about our reserves and reserves replacements; ability to effectively upgrade our facilities in line with market demand and preferences; the effects of employee strikes and other formal or informal labor-related disruptions; changes in interest rates and foreign currency inflation, including the devaluation of the T.T.\$ against the U.S.\$ and local inflation; enactment of more stringent environmental regulations (both in Trinidad and Tobago and elsewhere); operational and personnel changes resulting from a change in control of the Government of Trinidad and Tobago; changes in safety regulations; changes in quality regulations; changes in taxes, duties, and royalties; and other factors beyond TPHL's control. While the company makes these statements and projections in good faith, neither the company nor its management can guarantee that anticipated future results will be achieved. TPHL assumes no obligation to publicly update or revise any forward-looking statements made herein or any other forward-looking statements made by TPHL, whether as a result of new information, future events, or otherwise.
